The fur-bearing animals that have long been exploited for their natural fur include a long list, namely: minks, foxes, raccoons, coyotes, chinchillas, beavers, muskrats, lynx, fishers, sables, rabbits, Persian sheep ad otters. “Man’s best friend” also makes the list. The use of feathers is also largely prevalent in fashion, which is just as cruel as using fur.

The wild fur of coyotes and sable is deemed the most prized kind of fur. Coyotes also are known as the prairie wolf is found in North America and is a native of the same. The coats are recognizable by the company’s official design that shows the Arctic Circle. While sable is also one of the most sought-after furs. The sable is a species of martens, a petite carnivorous mammal who is a native of Russia.

BOOT STYLING GUIDE!

With time changing, in the sixteenth century, high boots of soft perfumed leather were worn. Under the rule of Louis XII more comfortable, shorter, and lighter version of boots gained popularity with a fold-over flap, called ladrine. Boots were majorly recognized in the twentieth century when they were more functional and featured high heels and side zip for a more accurate fit. It was more of a fashionable choice amongst the young crowd.

In contemporary times, the latest trends of boots add a little bit of glamour to the whole style. The fashion trends of boots in 2020 would splurge you with lots of styles in different ways.

1) With metallic silver over-the-knee boots, one can style with a black mini dress and a black leather jacket.
2) Black platform boots are paired with a yellow shirt-style cardigan and a blue denim jean.

I AM A PEOPLE’S PERSON: BLOSSOM KOCHHAR SHARES HER CAREER & MORE!
Standing in the 21st century, many still fight the taboo of women tending to short hair, the preconceptions still exist and the rudimentary thought process of ’women with long hair are beautiful’ does spread like wildfire from one generation to another.

Picture it! A GIRL in her teens wearing basketball shorts, playing with vigor but every time she loses sight because of her hair, she thinks, ”I wish I could cut them short”. Back home she asks her mother ”Mom, what if I just cut my hair a bit shorter”, her mother replies ” We let you play basketball, isn't that enough, now you want to cut your hair and lose the femininity left?”

What is to think here is that HOW DOES LONG HAIR RUN PARALLEL TO FEMININITY!
The Winters are charming! Truly said as strong cold winds, freezing temperatures, and born fires make it more enjoyable. The breeziness of nights and joyful days, the contrast brings more concern for beauty ideas for our skin. Seeing the other side of the winters, it shambles our skin if not taken care of properly.
